

Black Beauty™ Sun & Shade

Premium Grass Seed Mixture

Black Beauty Sun & Shade is a premium, all-purpose grass seed mixture designed to thrive in full sun to partially shaded lawn areas. It provides an attractive, perennial, healthy, dark-green lawn. Black Beauty Sun & Shade contains naturally insect and disease resistant varieties that should germinate in 10 - 14 days.

Black Beauty varieties root deeply, contain a waxy leaf coating to preserve moisture, have a uniform growth habit, and are grown by leading sod growers across the United States.

- Our best selling and most popular mixture grows well in sun and partial shade areas
- Wide adaptability and elite varieties with naturally insect resistant grass
