

Black Beauty™ Pacific Northwest

Premium Grass Seed Mix

Black Beauty Pacific Northwest is an ideal grass mixture specifically formulated for the diverse climates of Washington, Oregon and Idaho. This unique mixture contains Jonathan Green's elite and proprietary Black Beauty Tall Fescue varieties, along with dark-green and durable Perennial Ryegrass and premium Kentucky Bluegrass, which create a beautiful lawn.

Black Beauty Pacific Northwest Tall Fescues can grow roots up to four feet deep, contains a waxy leaf coating to preserve moisture, displays a uniform (not clumpy) growth habit and naturally withstands insects and diseases. "Once you've seen a Black Beauty Lawn, you'll never forget it!" Seed should germinate in 10 - 20 days.

- Formulated for the diverse climates of the Pacific Northwest
- Produces a dark-green lawn
- For sunny and shady areas
